

SPECIFICATIONS

ELECTRIC DRIVETRAIN

Dual-motor All-Wheel Drive	
Horsepower (hp) ¹	490 (365 kW)
Torque (lb.-ft.) ²	437 (593 Nm)
Max. towing capacity ³ (lbs.) – AWD	3,500

EV RANGE

Range (km) ⁴ – AWD	Up to 489
240-volt AC charge time – Level 2 (km per hour of charging) ⁵	47.3
DC fast charger charging time (km in 10 minutes of charging) ⁶	127.1
DC fast charger charging time (20% to 80% state of charge, mins) ⁶	42
Battery capacity (kWh)	102

CHASSIS

Multi-link front suspension	
Multi-link rear suspension	
Stabilizer bars (mm, front/rear)	34.5 x 5.3 (tubular) / 16.0 (solid)
Amplitude Reactive Damper	
Electric power-assisted rack-and-pinion steering (EPS)	
Drive Modes	Snow / Normal / Sport / Individual
Ventilated front disc/rear disc brakes (in.)	12.6 / 13.5
Aluminum-alloy wheels (in.)	20 x 9.0 Berlina Black, machine-finished
All-season tires	265/50R20
Steering ratio (deg.)	18.4
Turning diameter, curb to curb (ft.)	39.6

ACURAWATCH 360+™

Forward Collision Alert ¹⁰	Automatic emergency braking ¹¹
Front pedestrian braking ¹¹	Lane Keeping Assist System ¹²
Adaptive Cruise Control (ACC) ¹³	Traffic sign recognition ¹⁴
Reverse automatic braking	Side blind zone alert ¹⁵
Lane change alert ¹⁵	Rear cross traffic alert
Rear cross traffic braking	Auto high beam
Parking sensors (4 front and 4 rear)	Blind zone steering assist ¹⁷

SAFETY AND DRIVER ASSIST TECHNOLOGY

- Lower Anchors and Tethers for Children (LATCH)
- Dual-stage, multiple-threshold front airbags (SRS)
- Front side airbags
- Front knee airbags
- Side curtain airbags
- Anti-lock Braking System (ABS)
- Tire Pressure Monitoring System (TPMS) with tire fill assist and location and pressure indicators¹⁸
- Theft-deterrent system with electronic immobilizer
- Self-sealing tires

DRIVER CONVENIENCE

- Electronic Parking Brake (EPB) with automatic brake hold
- Auto-on/off headlight operation with wiper compatibility
- Rain-sensing windshield wipers
- Heated side mirrors with reverse gear tilt-down
- Universal remote system (garage door)
- Compass
- Key fob-activated remote start
- Key card
- Charging status screen
- Charging status indicator
- Digital owner's manual

INTERIOR

- Dual-zone automatic climate control with humidity control and air-filtration system
- Keyless access system with Acura Personalized Settings
- Pushbutton start/stop
- Column-mounted electronic gear selector
- Power windows with auto-up/down, auto-reverse, soft close
- Perforated Milano leather seats
- 12-way power adjustable driver's and front passenger's seat including power lumbar support
- Heated front seats
- Ventilated front seats
- Driver's seat position memory (2 positions)
- Power tilt and telescopic steering column
- Leather-wrapped, heated, flat-bottom Sport steering wheel
- Steering wheel-mounted controls
- Regenerative braking paddle
- Hidden cargo storage
- A-SPEC™ interior Sport Appearance Package
- Ebony headliner
- Stainless steel Sport pedals
- Interior LED ambient lighting – Door handles and instrument panel
- Automatic dimming frameless rearview mirror
- 12-volt accessory socket – front console
- 12-volt accessory socket – rear cargo area

EXTERIOR

- Panoramic moonroof with tilt feature and sliding shade
- Jewel Eye® LED headlights
- Chicane™ LED Daytime Running Lights (DRL)
- Chicane™ LED taillights
- LED side mirror turn indicator
- Illuminated seamless Pentagon grille
- A-SPEC™ exterior Sport Appearance Package
- Power-folding side mirrors
- Acoustic-laminate windshield and front side glass
- Rear privacy-tinted glass
- Power tailgate with hands-free access
- Roof rails
- Charge port door

AUDIO & CONNECTIVITY

- 11" digital instrument cluster
- 11.3" colour touchscreen display with volume knob
- Google Built-In enabled¹⁹
- Power output indicator
- Wi-Fi hotspot capability
- AcuraLink® connected by OnStar²⁰
- Wireless Apple CarPlay²¹ compatibility
- Wireless Android Auto™²² compatibility
- Bluetooth® Streaming Audio²³
- Bang & Olufsen Premium Sound System with 18 speakers
- HD Radio™²⁴
- SiriusXM™²⁵
- USB audio interface with charging port – front console²⁶ (2 ports)
- USB-C charging port – rear (2 ports)
- Wireless phone charger²⁷

EXTERIOR DIMENSIONS

	ZDX A-SPEC™	ZDX Type S™
Length (mm)	5,022 (197.7 in.)	5,022 (197.7 in.)
Width (mm)	1,956 (77 in.)	1,956 (77 in.)
Height (mm)	1,636 (64.4 in.)	1,636 (64.4 in.)
Wheelbase (mm)	3,094 (121.8 in.)	3,094 (121.8 in.)
Track – front/rear (mm)	1,682 / 1,684 (66.2 in. / 66.3 in.)	1,682 / 1,684 (66.2 in. / 66.3 in.)
Ground clearance (mm) – no-load	178 (7 in.)	178 (7 in.)

INTERIOR DIMENSIONS

	ZDX A-SPEC™	ZDX Type S™
Headroom – front/2nd row (mm)	960 / 940 (37.8 in. / 37.0 in.)	960 / 940 (37.8 in. / 37.0 in.)
Legroom – front/2nd row (mm)	1,052 / 1,001 (41.4 in. / 39.4 in.)	1,052 / 1,001 (41.4 in. / 39.4 in.)
Shoulder room – front/2nd row (mm)	1,499 / 1,473 (59.0 in. / 58.0 in.)	1,499 / 1,473 (59.0 in. / 58.0 in.)
Hip room – front/2nd row (mm)	1,455 / 1,356 (57.3 in. / 53.4 in.)	1,455 / 1,356 (57.3 in. / 53.4 in.)
EPA passenger volume (litres)	2,976 (105.1 cu. ft.)	2,976 (105.1 cu. ft.)
Cargo volume (litres) ⁸ (behind second row, standard/max)	841 (29.7 cu. ft.)	813 (28.7 cu. ft.)
Cargo volume (litres) ⁸ (behind first row, standard/max)	1,784 (63.0 cu. ft.)	1,756 (62 cu. ft.)

WEIGHT

	ZDX A-SPEC™	ZDX Type S™
Curb weight (kg) – AWD	2,639	2,706
Gross vehicle weight rating (kg)	3,150	3,200
Weight distribution (% front/rear) – AWD	51 / 49	53 / 47

ZDX TYPE S™ PACKAGE

(Adds to or replaces ZDX A-SPEC™ Package features)

Horsepower: 500 hp

Torque²: 544 lb.-ft.

Range: Up to 447 km⁴

DC fast charger charging time (km in 10 minutes of charging)⁶: 115.9

110-volt power outlet, rear console

16-way power adjustable driver's and front passenger's seat, including power lumbar support, thigh extension, and side bolster

Adaptive air suspension

All-season tires: 275/40R22

Aluminum-alloy wheels (in.): 22 x 9.5 Berlina Black, machine-finished

Automatic parking assist

Brembo® front 6-piston braking system⁷

Digital rearview mirror

Drive Modes: Lift / Snow / Normal / Sport / Individual

Front passenger's seat position memory (2 positions)

Gloss black roof

Hands Free Cruise⁹

Head-up Display (HUD)

Heated rear seats (outboard positions only)

Interior LED ambient lighting – Door handles, instrument panel, console and footwell

Parking sensors (6 front and 6 rear)

Perforated Milano leather seats with embossed Type S™ logo

Rear HVAC control panel

Rear pedestrian alert

Rear tailgate spoiler camera & washer

Stabilizer bars (mm, front/rear): 37.6 x 5.7 (tubular) / 26.0 (solid)

Steering ratio (deg.): 15.9

Surround vision system¹⁶

Tri-zone automatic climate control with humidity control and air-filtration system

Type S™ interior Sport Appearance Package

Type S™ exterior Sport Appearance Package

Ventilated front disc/rear disc brakes (in.): 15.3 / 13.5

1. Estimated 490 hp (SAE J2908) for A-SPECT™ AWD based on internal testing. Estimated 500 hp (SAE J2908) for ZDX Type S™ based on internal testing. Final figures subject to change.
2. Estimated 437 lb-ft. (SAE J2908) for A-SPECT™ AWD based on internal testing. Estimated 544 lb-ft. (SAE J2908) for Type S™ based on internal testing. Final figures subject to change.
3. Maximum towing capacity is 3,500 lbs for AWD. With the required accessory towing package. See your owner's manual for proper towing operation.
4. Anticipated combined (city/highway) with a full charge based on internal testing; ZDX A-SPECT™ dual-motor configuration – anticipated up to 489 km rating; ZDX Type S™ – anticipated up to 447 km rating. Use for comparison purposes only. Your driving range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-package/condition, and other factors.
5. Requires professionally installed 60A dedicated charge station, sold separately. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. See the vehicle's Owner's Manual for additional limitations.
6. Maximum charge rate is subject to network availability. DC fast chargers may not be available in certain areas. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. Charging time is subject to change. See the vehicle's Owner's Manual for additional limitations.
7. Brembo is a registered trademark of Brembo S.p.A. Brembo's product names are either trademarks or registered trademarks of Brembo.
8. Based on SAE J1100 cargo volume measurement standard plus, where applicable, floor space between seating rows and seats in their forward-most and upright position.
9. Always pay attention while driving and when using Hands Free Cruise. Do not use a hand-held device. Keep your hands in close proximity to the steering wheel at all times. Requires active Hands Free Cruise plan or trial. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. Forward Collision Alert cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCA does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. Automatic Emergency Braking & Front Pedestrian Braking cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. Lane Keeping Assist System only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. Keep your hands on the steering wheel at all times. LKAS is not a substitute for your vehicle control and may not detect all lane markings; accuracy will vary based on weather, speed and road condition including condition and visibility of lane markings. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
13. Improper use of Adaptive Cruise Control (ACC) can lead to a crash. Use the brake pedal whenever necessary, and always keep a safe distance between your vehicle and other vehicles. Use ACC only when driving on expressways or freeways and in good weather conditions. Exiting a vehicle that has been stopped while the ACC system is operating can result in the vehicle moving without operator control which could result in serious injury or death. Do not use ACC in conditions including: in poor visibility; when you must slow down and speed up repeatedly; on winding roads; when you enter a toll gate, interchange, service area, parking area, etc.; on a slippery road; when a spare tire is installed; or when going down a steep hill.
14. Traffic Sign Recognition cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and complying with all traffic regulations.
15. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
16. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. Driver remains responsible for safely operating vehicle.
17. Blind Zone Steering Assist only alerts drivers when lane drift is detected without a turn signal in use. Blind Zone Steering Assist may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
18. Use TPMS-specific wheels only. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Acura dealer for details.
19. Services enabled by Google Built-In require a data plan or tether/hotspot from a compatible mobile device and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, Google Built-In functionality will no longer be available. To regain Google Built-In functionality, customer will be required to: (i) subscribe to a compatible OnStar plan at then-current pricing (for details, see: www.onstar.ca/en/plans/pricing); or (ii) tether/hotspot from a compatible mobile device. Conditions apply. Certain Google actions and functionality may require account linking. Connectivity is dependant on compatible wireless networks provided by third-party wireless service providers and other factors outside Honda control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions and geographical and technical restrictions. See onstar.ca for details and limitations. Google, Google Maps and other related marks and logos are trademarks of Google LLC. OnStar and the OnStar emblem are registered trademarks of OnStar, LLC.
20. Services enabled by AcuraLink connected by OnStar require a data plan and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, AcuraLink connected by OnStar functionality will no longer be available. To regain functionality, customer will be required to subscribe to a compatible OnStar plan at then-current pricing (for details, see: www.onstar.ca/en/plans/pricing). Conditions apply. Connectivity is dependant on compatible wireless networks provided by third-party wireless service providers and other factors outside Honda control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions and geographical and technical restrictions. See onstar.ca for details and limitations. OnStar and the OnStar emblem are registered trademarks of OnStar, LLC.
21. Apple CarPlay is provided by Apple Inc. and only compatible with certain Apple devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Apple CarPlay when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Apple CarPlay can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with the connected iPhone. See Apple's privacy policy or contact Apple Inc. at www.apple.com for details regarding Apple's use and handling of data uploaded by Apple CarPlay. Use of Apple CarPlay is at user's own risk, and is subject to agreement to the Apple CarPlay terms of use, which are included as part of the Apple iOS terms of use. Apple CarPlay vehicle integration is provided "as is" and Honda cannot guarantee Apple CarPlay operability or functionality now or in the future due to, among other conditions, changes in Apple CarPlay software/Apple iOS, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Apple and Apple CarPlay are trademarks of Apple Inc.
22. Android Auto is provided by Google Inc. and only compatible with certain Android devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Android Auto when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy or contact Google Inc. at www.google.com for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is" and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Android and Android Auto are trademarks of Google Inc.
23. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
24. Coverage varies by market. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
25. Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.siriusxm.ca/home. Objects south of the vehicle may cause satellite reception interruptions. Satellite signals are more likely to be blocked by tall buildings and mountains the farther north you travel from the equator.
26. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated smartphone/audio interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
27. Acura wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
