

# ZDX

## SPECIFICATIONS

### ELECTRIC DRIVETRAIN

Dual-motor All-Wheel Drive  
Horsepower (hp)<sup>1</sup> 490  
Torque (lb.-ft.)<sup>2</sup> 437  
Max. towing capacity<sup>3</sup> (lbs.) – AWD 3,500

### EV RANGE

Range (km)<sup>4</sup> – AWD Up to 489  
240-volt AC charge time – Level 2 (km per hour of charging)<sup>5</sup> 47.3  
DC fast charger charging time (km in 10 minutes of charging)<sup>6</sup> 127.1  
DC fast charger charging time (20% to 80% state of charge, mins)<sup>6</sup> 42  
Battery capacity (kWh) 102

### CHASSIS

Multi-link front suspension  
Multi-link rear suspension  
Stabilizer bars (mm, front/rear): 34.5 x 5.3 (tubular) / 16.0 (solid)  
Amplitude Reactive Damper  
Electric power-assisted rack-and-pinion steering (EPS)  
Drive Modes: Snow / Normal / Sport / Individual  
Ventilated front disc/rear disc brakes (in.): 12.6 / 13.5  
Aluminum-alloy wheels (in.): 20 x 9.0 Berlina Black, machine-finished  
All-season tires: 265/50R20  
Steering ratio (deg.) 18.4  
Turning diameter, curb to curb (ft.): 39.6

### ACURAWATCH 360+™

Forward Collision Alert<sup>7</sup>  
Front pedestrian braking<sup>8</sup>  
Adaptive Cruise Control (ACC)<sup>9</sup>  
Reverse automatic braking  
Lane change alert<sup>10</sup>  
Rear cross traffic braking  
Parking sensors (4 front and 4 rear)

### SAFETY AND DRIVER ASSIST TECHNOLOGY

Lower Anchors and Tethers for Children (LATCH)  
Dual-stage, multiple-threshold front airbags (SRS)  
Side curtain airbags  
Theft-deterrent system with electronic immobilizer  
Tire Pressure Monitoring System (TPMS) with tire fill assist and location and pressure indicators<sup>11</sup>

### DRIVER CONVENIENCE

Electronic Parking Brake (EPB) with automatic brake hold  
Auto-on/off headlight operation with wiper compatibility  
Rain-sensing windshield wipers  
Heated side mirrors with reverse gear tilt-down  
Universal remote system (garage door)  
Compass  
Key card  
Charging status indicator

Automatic emergency braking<sup>12</sup>  
Lane Keeping Assist System<sup>13</sup>  
Traffic sign recognition<sup>14</sup>  
Side blind zone alert<sup>15</sup>  
Rear cross traffic alert  
Auto high beam  
Blind zone steering assist<sup>17</sup>

Front side airbags  
Front knee airbags  
Anti-lock Braking System (ABS)  
Self-sealing tires

Key fob-activated remote start  
Charging status screen  
Digital owner's manual

### AUDIO & CONNECTIVITY

11" digital instrument cluster  
Google Built-In enabled<sup>18</sup>  
Wi-Fi hotspot capability  
Wireless Apple CarPlay<sup>19</sup> compatibility  
Bluetooth<sup>®</sup> Streaming Audio<sup>23</sup>  
USB audio interface with charging port – front console<sup>25</sup> (2 ports)  
USB-C charging port – rear (2 ports)

11.3" colour touchscreen display with volume knob  
Power output indicator  
AcuraLink<sup>®</sup> connected by OnStar<sup>20</sup>  
Wireless Android Auto™<sup>22</sup> compatibility  
Bang & Olufsen Premium Sound System with 18 speakers  
SiriusXM™<sup>24</sup>  
Wireless phone charger<sup>26</sup>

### INTERIOR

Dual-zone automatic climate control with humidity control and air-filtration system  
Keyless access system with Acura Personalized Settings  
Pushbutton start/stop  
Column-mounted electronic gear selector  
Power windows with auto-up/down, auto-reverse, soft close  
Perforated Milano leather seats  
12-way power adjustable driver's and front passenger's seat including power lumbar support  
Heated front seats  
Ventilated front seats  
Driver's seat position memory (2 positions)  
Power tilt and telescopic steering column  
Leather-wrapped, heated, flat-bottom Sport steering wheel  
Steering wheel-mounted controls  
Regenerative braking paddle  
Hidden cargo storage  
A-SPEC™ interior Sport Appearance Package  
Ebony headliner  
Stainless steel Sport pedals  
Interior LED ambient lighting – Door handles and instrument panel  
Automatic dimming frameless rearview mirror  
12-volt accessory socket – front console  
12-volt accessory socket – rear cargo area

### EXTERIOR

Panoramic moonroof with tilt feature and sliding shade  
Jewel Eye™ LED headlights  
Chicane™ LED Daytime Running Lights (DRL)  
Chicane™ LED taillights  
LED side mirror turn indicator  
Illuminated seamless Pentagon grille  
A-SPEC™ exterior Sport Appearance Package  
Power-folding side mirrors  
Acoustic-laminate windshield and front side glass  
Rear privacy-tinted glass  
Power tailgate with hands-free access  
Roof rails  
Charge port door

### DIMENSIONS

#### Exterior dimensions

Length (mm) 5,022 (197.7 in.)  
Width (mm) 1,956 (77 in.)  
Height (mm) 1,636 (64.4 in.)  
Wheelbase (mm) 3,094 (121.8 in.)  
Track – front/rear (mm) 1,682 / 1,684 (66.2 in. / 66.3 in.)  
Ground clearance (mm) – no-load 178 (7 in.)

#### Interior Dimensions

Headroom – front/2nd row (mm) 960 / 940 (37.8 in. / 37.0 in.)  
Legroom – front/2nd row (mm) 1,052 / 1,001 (41.4 in. / 39.4 in.)  
Shoulder room – front/2nd row (mm) 1,499 / 1,473 (59.0 in. / 58.0 in.)  
Hip room – front/2nd row (mm) 1,455 / 1,356 (57.3 in. / 53.4 in.)  
EPA passenger volume (litres) 2,976 (105.1 cu. ft.)  
Cargo volume (litres)<sup>3</sup> (behind second row, max) 841 (29.7 cu. ft.)  
Cargo volume (litres)<sup>3</sup> (behind first row, max) 1,784 (63.0 cu. ft.)

#### Weight

Curb weight (kg) – AWD 2,639  
Gross vehicle weight rating (kg) 3,150  
Weight distribution (% front/rear) – AWD 51 / 49

#### ZDX A-SPEC™

5,022 (197.7 in.)  
1,956 (77 in.)  
1,636 (64.4 in.)  
3,094 (121.8 in.)  
1,682 / 1,684 (66.2 in. / 66.3 in.)  
178 (7 in.)

#### ZDX Type S™

5,022 (197.7 in.)  
1,956 (77 in.)  
1,636 (64.4 in.)  
3,094 (121.8 in.)  
1,682 / 1,684 (66.2 in. / 66.3 in.)  
178 (7 in.)

960 / 940 (37.8 in. / 37.0 in.)  
1,052 / 1,001 (41.4 in. / 39.4 in.)

## PACKAGES

### ZDX TYPE S™ PACKAGE

(Adds to or replaces ZDX A-SPEC™ Package features)

Horsepower<sup>1</sup>: 499 hp

Torque<sup>2</sup>: 544 lb.-ft.

Range: Up to 447 km<sup>4</sup>

DC fast charger charging time (km in 10 minutes of charging)<sup>6</sup>: 115.9

110-volt power outlet, rear console

16-way power adjustable driver's and front passenger's seat, including power lumbar support, thigh extension, and side bolster

Adaptive air suspension

All-season tires: 275/40R22

Aluminum-alloy wheels (in.): 22 x 9.5 Berlina Black, machine-finished

Automatic parking assist

Brembo® front 6-piston braking system<sup>7</sup>

Digital rearview mirror

Front passenger's seat position memory (2 positions)

Gloss black roof

- 490 hp (SAE J2908) for ZDX A-SPEC™ AWD, 499 hp (SAE J2908) for ZDX Type S™.
- 437 lb.-ft. (SAE J2908) for ZDX A-SPEC™ AWD, 544 lb.-ft. (SAE J2908) for ZDX Type S™.
- Maximum towing capacity is 3,500 lbs for AWD. With the required accessory towing package. See your owner's manual for proper towing operation.
- Use for comparison purposes only. Based on a full charge. Actual range will vary. Range may be significantly impacted by driving at highway speeds, use of the vehicle's heater, cold weather conditions (including pre-heating the vehicle) and towing a trailer. Other factors impacting range may include: road conditions, how you drive and maintain your vehicle, battery-package/condition, loading, use of vehicle accessories and other factors.
- Requires professionally installed 60A dedicated charge station, sold separately. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. See the vehicle's Owner's Manual for additional limitations.
- Maximum charge rate is subject to network availability. DC fast chargers may not be available in certain areas. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. Charging time is subject to change. See the vehicle's Owner's Manual for additional limitations.
- Brembo is a registered trademark of Brembo S.p.A. Brembo's product names are either trademarks or registered trademarks of Brembo.
- Based on SAE J1100 cargo volume measurement standard plus, where applicable, floor space between seating rows and seats in their forward-most and upright position.
- Always pay attention while driving and when using Hands Free Cruise. Do not use a hand-held device. Keep your hands in close proximity to the steering wheel at all times. Requires active Hands Free Cruise plan or trial. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Forward Collision Alert cannot detect all objects ahead and may not detect a given object, accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCA does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Automatic Emergency Braking & Front Pedestrian Braking cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Lane Keeping Assist System only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. Keep your hands on the steering wheel at all times. LKAS is not a substitute for your vehicle control and may not detect all lane markings; accuracy will vary based on weather, speed and road condition including condition and visibility of lane markings. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Improper use of Adaptive Cruise Control (ACC) can lead to a crash. Use the brake pedal whenever necessary, and always keep a safe distance between your vehicle and other vehicles. Use ACC only when driving on expressways or freeways and in good weather conditions. Exiting a vehicle that has been stopped while the ACC system is operating can result in the vehicle moving without operator control which could result in serious injury or death. Do not use ACC in conditions including: in poor visibility; when you must slow down and speed up repeatedly; on winding roads; when you enter a toll gate, interchange, service area, parking area, etc.; on a slippery road; when a spare tire is installed; or when going down a steep hill.
- Traffic Sign Recognition cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and complying with all traffic regulations.
- The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. Driver remains responsible for safely operating vehicle.
- Blind Zone Steering Assist only alerts drivers when lane drift is detected without a turn signal in use. Blind Zone Steering Assist may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Use TPMS-specific wheels only. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Acura dealer for details.
- Services enabled by Google Built-In require a data plan or tether/hotspot from a compatible mobile device and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, Google Built-In functionality will no longer be available. To regain Google Built-In functionality, customer will be required to: (i) subscribe to a compatible OnStar plan at then-current pricing (for details, see: [www.onstar.ca/en/plans/pricing](http://www.onstar.ca/en/plans/pricing)); or (ii) tether/hotspot from a compatible mobile device. Conditions apply. Certain Google actions and functionality may require account linking. Connectivity is dependant on compatible wireless networks provided by third-party wireless service providers and other factors outside Honda control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions and geographical and technical restrictions. See [onstar.ca](http://onstar.ca) for details and limitations. Google, Google Maps and other related marks and logos are trademarks of Google LLC. OnStar and the OnStar emblem are registered trademarks of OnStar, LLC.

- Services enabled by AcuraLink connected by OnStar require a data plan and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, AcuraLink connected by OnStar functionality will no longer be available. To regain functionality, customer will be required to subscribe to a compatible OnStar plan at then-current pricing (for details, see: [www.onstar.ca/en/plans/pricing](http://www.onstar.ca/en/plans/pricing)). - Apple CarPlay is provided by Apple Inc. and only compatible with certain Apple devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Apple CarPlay when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Apple CarPlay can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with the connected iPhone. See Apple's privacy policy or contact Apple Inc. at [www.apple.com](http://www.apple.com) for details regarding Apple's use and handling of data uploaded by Apple CarPlay. Use of Apple CarPlay is at user's own risk, and is subject to agreement to the Apple CarPlay terms of use, which are included as part of the Apple iOS terms of use. Apple CarPlay vehicle integration is provided "as is" and Honda cannot guarantee Apple CarPlay operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Android and Android Auto are trademarks of Google Inc.
- Android Auto is provided by Google Inc. and only compatible with certain Android devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Android Auto when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy or contact Google Inc. at [www.google.com](http://www.google.com) for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is" and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Android and Android Auto are trademarks of Google Inc.
- The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
- Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at [www.siri.usm.ca/home](http://www.siri.usm.ca/home). Objects south of the vehicle may cause satellite reception interruptions. Satellite signals are more likely to be blocked by tall buildings and mountains the farther north you travel from the equator.
- The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated smartphone/audio interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
- Acura wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
